

TOWNSHIP OF *Watersmeet* GOGEBIC COUNTY, MICHIGAN

Watersmeet Township Announces Implementation of Emergency Alert System

Watersmeet Township has partnered with CodeRED® to offer FREE emergency alerts to residents and visitors for weather and traffic warnings, and critical emergencies.

CodeRED FAQs

What is CodeRED and what is it used for?

CodeRED® is an emergency notification system that enables local public safety personnel to notify residents and businesses by telephone, text message, email of time-sensitive information, emergencies or urgent alerts. The system can reach hundreds of thousands of individuals in minutes to ensure information such as evacuation notices, missing persons, and inclement weather advisories are quickly shared. Only authorized officials have access to send alerts using the CodeRED system.

When will CodeRED be used?

Any message regarding the safety of our residents and community will be disseminated using CodeRED. We will send out alerts via phone, text and email in a variety of situations including boil water notices, gas leaks, evacuation notices, police activity, fire emergencies, missing persons and more. This is a community alert system to ensure you remain informed of important information. Please keep in mind that as you register to receive CodeRED, you have the ability to select your preferred means of communication.

Is there a cost to register for CodeRED?

No, registering for CodeRED phone calls, text messages, and email is free. Simply sign up on our enrollment website and select your preferred means of communication.

How do you sign up for CodeRED?

In order to receive these alerts, individuals must sign up for this service. Enrollment is fast and easy and can be done in a few minutes. The data collected will only be used for emergency notification purposes.

Once enrolled, individuals will automatically receive alerts issued by the Township. It is recommended to include CodeRed as a new contact in your phone with the following phone number: **206.536.3695** to always know when a CodeRED alert is being sent.

The alerts you receive will keep you quickly informed and enable you to take appropriate action in response to an emergency situation in your area.

REGISTER NOW FOR CODERED ALERTS!

Sign up for the CodeRED notification system to receive alerts and updates during emergency events. All citizens and businesses are encouraged to register.
