DATE: Wednesday, August 5, 2026

TIME: 11.30 AM

PLACE: WATERSMEET TOWNSHIP COMMUNITY CENTER

4689 1st STREET

WATERSMEET, MI 49969

PURPOSE/AGENDA

The Roadway Committee will be conducting our annual road ride with members of the Gogebic County Road Commission engineering and leadership team. This workshop will assist in targeting future projects for continuation of Watersmeet Township's five-year road improvement plan.

The committee would also like to welcome Bruce Caudill, who was selected to replace former chairman Joe Lomastro, who recently left the committee. We also were informed that Al Ison is leaving the committee. We thank both Joe and Al for their dedicated service to the Township. The Township Board will be selecting a replacement for Al soon.
